

## JOINT EURO-MEDITERRANEAN WORKSHOP

Innovation & Impact: Good Practices in Energy Efficiency  
for Buildings in Mediterranean Cities

# PROGRAMME (ENGLISH)

Thursday 24 February 2022

10:00 – 13:00 (CET time)

Online - Event

Three European projects join their forces, to offer local decision-makers the opportunity to master proven solutions

The workshop will present a panorama of replicable tools and methodologies to the attention of local authorities, as well as local, regional and national energy agencies. In parallel working groups, the needs of the cities will be explored and, consequently, the transferability and concrete application of these solutions at territorial level will be further developed.
